There was an all-day session of the city court on Monday, there being a number of matters for consideration, but the chief one was the case of the state vs. Joseph Swatzburg, Jr., in which there are three counts, all charging fraud. In the first count probable cause was found and he was held for the September term of the superior court under \$500 bonds, which he secured about 9 o'clock in the evening. The trial of the second count is under way and the prosecution will probably finish this morning.

Deputy Judge J. H. Barnes is on the bench and at the opening of the case a demurrer was entered which the court was inclined to sustain, but upon the complaints being changed the demurrers were denied and the trial proceeded. The accused is charged with getting \$100 from Mr. and Mrs. Bernard Shapiro \$600 from Bertha Levine and \$400 from Mrs. Frank T. Maples, all under lalse prefenses, it is alleged. It is claimed under the first count that he secured \$100 from the Shapiro that Mr. Shapiro sent him for \$200 and directing that she give it to bim. As she had but \$100 she gave him that. The second count alleges that in taking the \$600 from Bertha Levine he promised to be a good friend to her inside to get her a husband, but had failed to do so, which the money obtained from Mrs, Maples was secured under the representations that he had an exceptional opportunity to secure some rubber stock at a bargain if the money was available. no rubber transaction.

As witnesses for the state Mr. and Mrs. Shapiro, Aaron and Dora Shapiro testified, the evidence showing that the accused secured \$100 from Mrs. Shapiro had sent him for it. The accused denied absolutely that he borrowed the \$100, but said that two years ago he borrowed \$200 from them. The wife of the accused testified regarding the securing of money by her husband. Probable cause was found and he was held for the superior court under \$500 bonds. It was expected that Jacob Gordon would come to furnish the same ball as previously, but he did not show up and at 9 o'clock Abraham Cramer was secured and he furnished satisfactory security.

Cramer was secured and he furnished satisfactory security.

Following the Shapiro count the Levine count was taken up and Mrs. Arthur Swatzburg, sister-in-law of the accused, was the first and only witness of the afternoon in that matter. Her name is Annie Swatzburg and before her marriage it was Annie Levine. She testified that since December of last year her husband had worked for the accused, but now they are living in New York. Upon her recommendation she testified that her sizter, Bertha Levine, gave the accused \$600. Fie
